

First Aid at Pro-Align

People at work can suffer injury or illness. It does not matter whether this is caused by their work or not – what is important is that as employers we have made arrangements to ensure our employees/visitors receive immediate attention if they are injured or taken ill at work. The initial management of injuries, until expert medical attention is received, could make a difference between life and death.

Pro-Aligns appointed first aiders are:-

First Aid at Work

Emma Hounslow

Emergency First Aid at Work

Steve Ward
Rob Ansley
Alastair King
Andy Widdop
Craig Kenny
David Miller
Glen Beavis
